“ Teresa, Maria, Paula, Shayne - We are so sorry to hear of your loss. We know that Bill wanted nothing more than to watch Shayne during his Sr. year of football and Shayne the same. May each of you have peace knowing that he will now never miss a thing and he will look down upon you during each achievement and milestone. After all these years, I hope that you can consider us family as we do you and that if you need anything at all you will never hesitate in asking.
Our thoughts and prayers will be with each and everyone of you during this time.
