“ My deepest condolences at your loss. Buddy was one of my brother Ricks' best friends in high school. I spent many hours tagging along with those two, and have always remembered Buddy's zest for life. I lost Rick too early, and now see that your family is deprived of Buddy far too soon. My heart goes out to you, and will be keeping you all in my prayers. God bless you in this time of sadness. The only comfort I can offer is to ask you to recall the joyous times and remember those as the gifts they were.
