“ *I want to share my memories of my dear friend Zelta. We became friends when I wanted to help her family by taking Zelta to the beauty shop every week. That friendship grew and grew when we not only went to the beauty shop but went to the grocery, to the doctor and my special time was going for an ice cream cone with her and then to the lake to watch the ducks. She loved to go to Burger King at least once a month. We loved spending time together even if it was just to sit and watch TV. She was like another mother to me and her family like family to me also. I am glad you are at peace my dear friend and I will miss coming to see you at McCrites and bringing your favorite candy. My love always. Lynn*
